

Municipal Employees Chapter of IAAP  
Presents:

# Deter, Detect and Defend

## On March 18, 2010

Light Refreshments  
will be served.

Ira Burnette from Gwinnett County will be speaking on identity theft. He will explain what it is and give ways to avoid it. Some of the information that he will share will explain how criminals steal identities. He will have some handouts on how to help prevent your identity from being stolen. He will also show a Power-Point about the new Georgia Driver License and how it protects your identity.
